Doug,

I made one change (and had one question) to the attached fact sheet for West Lake. Shall I send it to Lynn?

Hi

OLEM has sent us the attached list of budget hearing and press conference fact sheets that they have asked us to put together. After we submit them, OLEM will review and give us a short time to re-edit.

Non-Responsive

- Several budget hearing factsheets due 1/8

Also attached are the FY 2016 factsheets, except for Hudson River, as a point of reference. A few extra fact sheets from last year have been added, which ARMS thinks Mathy will also want. These are CTS, Tar Creek, Libby, and 35th Avenue.

Jim would like this to be a topic for the 9:30am OSRTI DD meeting on Monday.

Please let me know if you have any questions and your next steps.

Thanks,

Subject: 2017 PresBud Budget Hearing Fact Sheets

Good Morning,

We have drafted a list, with the IO's help, of the budget hearing fact sheets, and request your input.

We recognize people are coming and going on leave, so please take a quick look and get your edits to us by January 8th.

We are also working on the list of fact sheets for the press conference, and will get that to you as soon as we get the IO's input.

Please let me know if you have any questions.
